

I NEED MY MONSTER FINGER PUPPETS

Step 1: Use a color printer to print this page. Then cut out each puppet along the gray lines.

Step 2: One by one, wrap each monster around a finger (or a pencil) and tape the tabs together.

Step 3: Wrap the "boy in bed" puppet around 3 or 4 fingers of your other hand and tape tabs together.

Step 4: Put all 5 monsters on the fingers of one hand. Put the boy in bed over 3 or 4 fingers of your other hand.
