

# Silly Frilly Fun

I. Chef Silly Tillie pretends to make silly food like roasted snake toes. Connect the words in each column – in any combination you like – to create your own silly food names. Then draw a picture of what the food would look like in the boxes below.

Grilled  
Baked  
Toasted  
Mashed  
Fried  
Boiled

Paint  
Spider  
Socks

Hilly Tillie
