

Fly a Kite with Ernestine Buckmeister

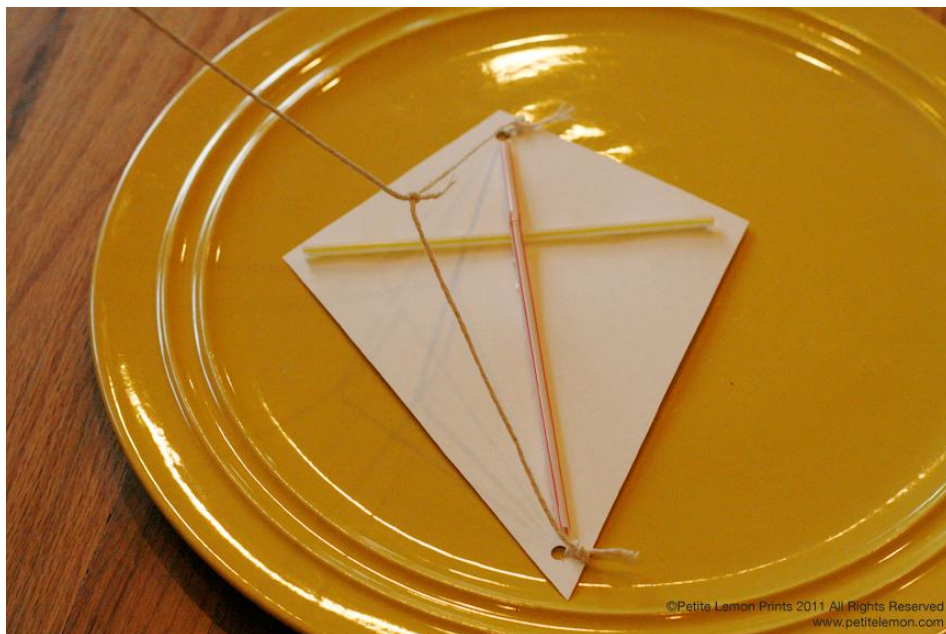

You'll Need:

White card stock
Crayons or markers
Scissors
Hole punch
String or yarn
2 plastic straws
Glue or tape
Ribbon

Making Ernestine's kite is easy!

1. Print out [Ernestine's kite](#) on card stock.
2. Color the kite.
3. Make a cross using 2 straws and cut to fit the back of the kite.
4. Glue or tape the straws to the back of the kite, with the long straw over the short straw.
5. Punch a hole over the 2 white circles
6. Tie a string from one hole to the next.
7. Tie a long string to the middle of the first string. This is your flying line.
8. Attach ribbons to the bottom of the kite as a tail
9. Go fly your kite!
