

# How I Met My Monster Finger Puppets

- Step 1: Cut out each puppet along the dotted lines.
- Step 2: One by one, wrap each monster around a finger (or a pencil) and tape or glue-stick the tabs together.
- Step 3: Wrap the "boy in bed" puppet around 3 or 4 fingers of your other hand and tape tabs together.
- Step 4: Put monsters on the fingers of one hand. Put the boy in bed over 3 or 4 fingers of your other hand.
- Step 5: Have fun acting out the story!
